After 3 years, it will be great to sing together again at our Evergreen District Convention! And, as usual, Convention would not be complete without a Harmony Platoon to kick things off. To make it easier for those who were ready to sing in 2020, we will be using the same songs this time. In addition, these songs will be used for the Harmony Platoon at International as well as in other Districts.

Title	Arranger	Contestable	Track Artist

 - <https://evgdistrict.com> (Look under "Conventions and Contests" Section for link)
- Learn your part 'cold' so that we can all enjoy harmonizing with you 'frustration free.'

If you've never sung in a Harmony Platoon, this is the year to do it. When you arrive on Thursday evening, you'll have a chance to sing through the songs a few times with everyone before being assigned into a random quartet. After a short practice, your quartet will perform. For the next two rounds, unless you're the round winner, you sing with a new random quartet. The final round winner gets to perform as the mic-testers for the Friday quartet competition.
