And to **Tacoma Vocal Standard** for having 4 members of leadership attend the marketing meeting this Friday. If you have any excitement going on in your chapter let me know.

Congratulations to all the Evergreen members that did such a fine job at International!!!! **PDX Voices, Northwest Sound Chorus, Bridge Town Sound Chorus, InVoice and Momma's Boys!!!** You all were great!!!!

**BHS has posted many of the performances on YouTube!**

## BHS MEMBER CENTER

Monthly, we download the latest lists from the BHS Member Center of EVG current members for emailing the **GREENSHEET**. We also download a list of current chapter leaders for emailing you the **LeadershipBuzz**.

**Chapter Secretaries:** Please notify BHS if you lose a member due to death, as a way that we can respect family members by not sending out future mailings.

## SHARE EVG NEWS with MEMBERS

The GreenSheet is designed to be a quick 'n easy way to share briefly what's happening in our District each month with all of our members and give them links for more details. For one reason or another, about half of our members actually even open the email to scan the content.... including using the link to read through our quarterly **Timbre**. That means perhaps that half of YOUR chapter has no idea as to what's happening in the district.

Here are some ways that you can help keep your members informed:

- Pull items from the GREENSHEET and from the Timbre in your chapter newsletters (which I hope your members read)
- Make short announcements during meetings about key things happening in the district
- Post important items on your chapter website or chapter's Facebook page.

# OPINION POLL!! - Enter Drawing

Starting TODAY, we are asking you, our leaders, to give us input on this month's question, which is "How to Get Information to Our Members?" Not only will we consider everyone's feedback and suggestions, but at the end of each month, we will pick a name from those who responded, and if your name is drawn, you will receive a gift in the mail – and recognition as contributing to the future of our District.

## LET YOUR MEMBERS KNOW:

Starting in August, we will be asking all of our members to give us feedback on a variety of different topics. Not only will we consider everyone's feedback and suggestions, but at the end of each month, we will pick a name from those who responded, and that person will receive a gift in the mail – and recognition as contributing to the future of our District.
