### YOUNG MEMBERS IN YOUR CHORUS? (GreenSheet repeat)

Has your chapter been blessed with a new member? A younger member? An active social media member? The Evergreen Communications team would love to meet them.

We are planning an upcoming ZOOM discussion to learn from these new members. How they found you, why they visited, and why they became members.

This will provide Communications with better ways to reach these members and keep them engaged. We'd like each chapter to provide us with the name of your newest youngest member. If you can provide the name before Contest, we could meet them in person and invite them to participate.

What can we learn from these new members that will help grow your chapter? The Evergreen team is working toward chapter growth through communications.

Please send names with emails, and any questions or comments to:  
Sid Brown (Boise Chordsmen) [sbro462@msn.com](mailto:sbro462@msn.com)

Many of our Communications Team will be in Federal Way for the weekend. You'll be able to spot us by the round "CT" stickers on our registration namebadges.

## BLMF - BIG GOAL FOR 2023

The Bud Leabo Memorial Fund was started in 1981 by the Salem Chapter. Since then chapters and individuals have contributed funds (as they can) to grow the fund to its current base amount of ~\$380,000. Interest and dividends from this money is available for music education through grants and scholarships.
