News from Katie Roman, Director of Education for the Evergreen District.

YES! A LEADERSHIP ACADEMY!: By now, your new 2023 officers should have a general idea of what their role involves and are already finding their way. But what if there are missing links in the information passed down? Or opportunities to accomplish tasks in an even better more seamless method? Would you like to ensure all your ducks are in a row and everyone is equipped with the tools and tricks of the trade?! If that sounds like something you or a leader within your chapter or chorus might be interested in learning more about, then march forth on MARCH 4th into this year's leadership academy!

HERE'S THE PLAN: This one-day, four-session leadership academy will first cover the "big 3" positions of President, Treasurer, and Secretary. The fourth session will cover the ins, outs, and important details related to Membership. The sessions will run sequentially with a Q&A wrapping up any unanswered questions at the end of the day. Leading up to the academy, each registrant will receive links to the training material for their chosen sessions to study prior to attending the sessions. Each session will be led by an EVG expert of the role and will review the most pertinent information from the training material. It will be a fast-paced day filled with a lot of information, so watch your email in the next few weeks for additional information including a link to register!
