Step 1: Go to and look over the new 2023 Leadership Academy webpage. Make this page a favorite, as it will become very valuable to you as a resource in your Chapter Leader roles.

Step 2: Register to attend the March 4th ZOOM classes. You will receive an email, after you register, with the ZOOM link for the entire day (but you can jump in and out of the sessions on the 4th as you want).

Step 3: Chapter Presidents, Secretaries, and Treasurers should set aside some time to take the new courses designed for each of your roles by BHS. You will also want to watch the video series for All Chapter Leaders and download the available handbook.

Step 4: For all of you interested in Membership, the Membership Video Series is packed with great information and ideas for developing or refining your Membership plans. There are also pdf files available to download.

Step 5: Mark your calendar for the Leadership Academy on March 4th. Have your prework completed so that you can participate fully in the discussions for your leadership roles.

ANONYMOUS SEARCHES THE INTERNET

Yesterday I went strolling through Google, searching for Barbershop Choruses. I visited one website to discover the last entry was for summer of 2022. Another said they had No Events scheduled and had dated pictures of men in costume. Another hadn't updated their website since 2021. One had action pictures, an up-to-date Singing Valentine page, formal and costumed concert pictures, a strong invitation to visit, and a couple of tag video clips. My question is, which choruses look alive, and

which look dead? If you're alive online, you have a better shot of attracting new members and audience. Just sayin'. Anonymous

MIDTOWN QUARTET

Con Hobson here with the Boise Chordsmen. I am communicating on behalf of the Idaho Youth Barbershop Festival. Our 2023 festival is scheduled for September 25, 26 and 27. We have been working with Midtown Quartet out of New York to headline and help clinician this year.

Midtown would like to do a show gig on their trip out west to work our festival. Could you let me know if your chapter is planning or may plan a local show the weekend prior to our festival (September 22 or 23) with Midtown? We would be able to split the travel expense to get the quartet to the Northwest Thank you for your consideration.

HARMONY COLLEGE NORTHWEST - June 16-18

Harmony College NW is gearing up for a great weekend, June 16-18th, held again on the University of Puget Sound campus in Tacoma, WA. Class titles and descriptions are being worked on right now, and will be posted on www.harmonycollege.net by March 1st with registration opening later in the month.

Our STARS will be teaching classes and providing coaching over the weekend, they include: Artistic License Quartet, Raymond and Lisa Schwarzkopf, Paul Ellinger, Rob Mance, Donny and Amy Rose, Alena Hemmingway, Ken Potter, Rob and Katie Roman, Donya Metzger, Will Fox, Phil Grant, Cherie Letts, Wes Sorstokke, Robin Whitmore, Lisa Greenough, Melanie McGuire, Iain Haukka, Jay Krumbholz, Kathy Scheel, Drew Osterhout, Charlie Metzger, Duncan Gilman, David Dobson, Elizabeth Davies, Greg Kronlund, Sid Brown, and more!!

BONUS IDEA: Consider inviting one or more of our stars to come early or stay afterwards and join your chapter for an additional coaching opportunity. HCNW is paying for them to get to SEATAC, so all you'd need to take care of is any additional expenses.

Many chapters and individuals have been taking advantage of the free music that is being stored. You, also, mind find some music to enjoy.

If your chapter has OLD LEGAL music that you are not planning to ever sing again - just let Ken Galloway know what you have available and he can help take it off your hands: kengalloway@gorge.net
