 LEADERS ALL ON BOARD!**

**WHAT COULD BE BETTER --
 A LOT OF GREAT**

Are you a brand new incoming board member? Or have you served in years past and looking for a role refresher? Here's an opportunity to learn more about how a chapter or ensemble board functions! This is your chance to come together as leaders, from all corners of our Evergreen district, for a day of education with your EVG board members!

By now, your chapter slate of 2024 board members should already be voted in (or will be soon) and while there may be a general idea of what each role involves, what if there are missing links in the information passed down? Or opportunities to accomplish tasks in an even better more seamless method?

Would you like to ensure all your ducks are in a row and everyone is equipped with the tools and tricks of the trade?! If that sounds like something you or a leader within your chapter or chorus might be interested in learning more about, then join us at this year's leadership academy!
