Happy New Year Evergreen!

"Should old acquaintance be forgot,  
and never brought to mind?  
Should old acquaintance be forgot,  
and the days of auld lang syne?"

Who really knows all the **lyrics** despite the song making the rounds every year? The words ***auld lang syne*** literally mean "old long since," though in practice it means "old times, especially times fondly remembered," as well as an "old or long **friendship**."

This is the sense we share amongst Barbershoppers; old friends, old songs and fond memories of times past.

As we ply the waters of 2024, let us all seek to make new friends, sing new songs and create new memories as we share time together in the Evergreen...

Carry your part,

Due to scheduling issues, lack of available judges, and the SAI International Convention, the events team was forced to move the Evergreen district convention to earlier dates. In addition, to avoid

interfering with Canadian Thanksgiving, the first week of October has been approved by BHS for the next three years. We also acknowledge for 2024 this creates a hardship for those celebrating Rosh Hashanah. As we move toward 2026, we will re-evaluate the dates, as necessary.
