From Your District Leaders

Needed: Board Member at Large

By Bill Hickman

President

The Evergreen District has a unique position available for someone who wants to help by being the voice of the membership. Are you that person?

Last year the House of Delegates restructured the District Board to include a new position of Board Member at Large. This one-year, non-renewable position was created to give the membership a direct voice in the governing of the district. The person serving in this role learns how the District operates by rotating through a four-month stint working closely with the Directors of Chapter Development, Communications, and Events. At the end of the year, he or she is better able to serve the District in other capacities.

If this position intrigues you, please contact a member of the Board or send a note directly to me at bill@billhickman.com.
